U.S. PASSPORT SERVICES AT AISM

In advance of the school holidays, a consular officer from the U.S. Embassy will be at AISM on **Tuesday, May 4th, at 2:30** to accept U.S. passport applications, including applications for children, adults and applications for the addition of extra visa pages.

U.S. passport application forms can be completed online at <https://pftform.state.gov>. Please print the form but do not sign it until asked to do so by the consular officer. Forms will also be available at the school.

Please bring two U.S.-style passport photos, the application form, the current passport and a photocopy of the passport's biodata page.

In compliance with the Two-Parent Signature Consent Law, **both parents of minors under 16 years old must be present to sign the passport application and produce a certified or original birth certificate establishing the parental relationship.**

Please provide the original passports of both parents, as well as photocopies of the biodata pages and a photocopy of the birth certificate or other document establishing the parental relationship.

Please note that fees must be paid at the Consular Section of the U.S. Embassy as they cannot be accepted at the school. Passport applications will not be processed until the fee is paid.

EMBASSY CLOSURE

The Embassy will be closed on **Monday, May 31st** for Memorial Day.

In the event of an emergency involving a U.S. citizen, please contact the Consular Section immediately at 21 49 2797 x3439 or 21 49 0723 during non business hours. Please remember that in case of an emergency, no matter what day or time, there is always someone available to assist you.

TRAVELING TO THE US?

The TSA's website, <http://www.tsa.gov> is a good source of information for travelers in the U.S. trying to make their trip as easy and painless as possible.

**Transportation
Security
Administration**

Wondering how to get through the security line faster? Or what you can pack in your carry on luggage? These questions, along with security tips, can be found at:

http://www.tsa.gov/travelers/airtravel/screening_experience.shtm

For a breakdown of common items and whether they can be put in carry on or checked baggage visit <http://www.tsa.gov/travelers/airtravel/prohibited/permitted-prohibited-items.shtm>

Why the big hoopla about not being able to some carry liquids on board? For a full explanation of acceptable liquids, along with a video showing how much damage a liquid explosive can do, visit http://www.tsa.gov/approach/mythbusters/liquids_ban.shtm
